Sir:

The following is in response to the Office Action dated July 2, 2007.

Upon review of the Office Action by the applicant, it was determined that the Examiner made reference to "Zhao" on page 6, second line from the bottom, of the Office Action in rejecting the claims. Applicants' Attorney, in noting this reference to "Zhao" contacted Examiner Cao to inquire as to what was meant by "Zhao". Upon studying the Office Action Examiner Cao informed us that the reference to "Zhao" in the Office Action was a typographical error and requested that Applicants submit a written Response pointing out the error and requesting that a new Office Action be issued.

Accordingly, it is respectfully requested that a complete Office Action be issued correcting the above-noted error and that the statutory period for response be reset to begin with the new Office Action.
